**E\*TRADE SIGNIFICANTLY EXPANDS COMMISSION-FREE ETF LINEUP  
WITH 80 NEW ADDITIONS**

*Customers can build customized, diversified portfolios  
made entirely of commission-free ETFs*

**NEW YORK, February 2, 2018** – E\*TRADE Financial Corporation (NASDAQ: ETFC) today announced a significant expansion of its commission-free exchange-traded fund (ETF) lineup, all of which are non-proprietary:

- Since August 1, 2017, E\*TRADE has added 80 commission-free ETFs from seven providers to its Commission-Free ETF Program.
- With these additions, E\*TRADE now offers a total of 225 commission-free ETFs—a 51% increase.
- New additions include ETFs from IndexIQ, iShares, Janus Henderson, John Hancock Investments, Legg Mason, NuShares, and PIMCO.
- E\*TRADE customers can further diversify their portfolio with domestic, international, fixed income, and specialty equity ETFs without paying commissions.

“It’s often said that a balanced portfolio is greater than the sum of its parts,” said Rich Messina, SVP of Investment Product at E\*TRADE Financial. “But at the heart of a well-constructed portfolio are core products that carry the workload and which are designed to either help improve returns or defend against changing market conditions. With the recent additions to our Commission-Free ETF Program, comprehensive diversification, across practically any asset class, is now more easily and cheaply attainable than ever before.”

New commission-free ETFs added to the E\*TRADE platform are listed below.
